JUDY TAKES OVER

With this issue Judy Bortner, our visitors coordinator, assumes responsibility for ON THE GREEN. This move will serve a double purpose...it will give Judy a chance to get to know you (and vice versa) and acquaint her with all the goings-on on the Green which she will want to share with our many visitors.

Judy is also responsible for our daily news program which you see on the closed circuit television -- so when you send in news it will really get some coverage. Try us -- 3326!
